## CAREER OBJECTIVE

As a beginner in the field of Information Technology, I strive to associate myself with an organization where I can utilize my skills in the best possible manner, which further gives me an opportunity to grow in my career journey while contributing to the development of the organization.

## EDUCATIONAL QUALIFICATION

| Degree | Year | Institute | Percentage / CGPA |
|---|---|---|---|
| Bachelor of Engineering in Information Technology | 2018-2022 (Pursuing) | Shri Guru Gobind Singhji Institute of Engineering & Technology, Nanded | 8.91 |
| HSC | 2017-2018 | Atulesh Junior College, Nagpur | 84.77 |
| SSC | 2015-2016 | MontFort Higher Secondary School, Ballarshah | 9.8 |

## INTERNSHIP

**EduInsip Learning** – Online education service provider                    Dec 2020 – Feb 2021
Subject Matter Expert (Work from Home)
- Worked as a freelancer for the K-12 and engineering textbook solution authoring project.
- Provides well formatted and step by step solutions for the assigned questions so that it helps the students to understand concepts and raise their interest in this subject.

**Acadecraft Private Limited** – E-learning service provider                    Mar 2020 – May 2020
Subject Matter Expert (Mathematics)
- Provides optimized solutions with proper format provided by the company so that it helps their clients to understand the concepts and increase their efficiency of problem solving.

## PROJECTS

**· Covid19 Tracker**                                                    Oct 2020 – Nov 2020
Covid19 tracker is a real time web application. The aim of this project is to provide the latest reports on coronavirus status around the world. This web app is built using React.js, APIs and Chart.js.
Visit site: https://covid-upd.herokuapp.com/

**· Buzzy Chat**                                                    Mar 2021 – Apr 2021
It is a real time web chat application built using Node.js, Express.js, Socket.io. It follows a room system where you can join a room and start a conversation in live mode with other attendees. The best feature of it is that it filters the messages so that no vulgar message is sent to others (English vulgar words).
